

Bell Hangtown Motocross Classic, Presented by Scranton Law Firm  
 round one of the Lucas Oil Pro Motocross  
 Championship, sanctioned by AMA Pro Racing.

May 18th 2019 Opening round of the Lucas Oil Pro Motocross Championship Series

Dear Vendor,

The Hangtown Motocross Classic has a rich tradition as Northern California’s premier motocross event for over 50 years. Pro Outdoor Motocross and the Hangtown Classic attract large diverse crowds exceeding 20,000 fans, broadcasted live in the U.S. and thirty five countries abroad.

Some series wide sponsorship contracts MX Sports and DDNMC signed contain exclusive agreements regarding product sponsorship and vending rights. Attached to our vendor contract is a list of vending rules. Please read thoroughly and provide full disclosure the type and brand of products you wish to display and sell. Please take extra time to fill out completely, attach a separate sheet if needed. Pictures of your display and/or products are recommended.

Absolutely No sub-letting by any vendor. Original Signed and approved vendors only. Any vendor that violates this agreement will be turned away.

We look forward to presenting your company or business to our many loyal fans and thank you in advance for your support.

Contracts due April 18th for prime space reservation. Applications received after the dead line will be taken on a first come first serve basis. Due to high foot traffic in the vendor area, display space will be exact size and not extend outward into the spectator walking path. There is no vehicle parking in the vending area, no exceptions. Vendors enjoy vendor permitted parking in close proximity to the vendor areas. Early planning and arrival (gates open @6:00am) assures a more premium vending experience.
